Use your BORIS username and password to log in.
(This is the same username as Desire2Learn and WebAdvisor).

What if I don't know my ID or password?

- Find or reset your password here: <https://boris.sdbor.edu/idm/retrieve-email.cfm>.

What will I see after I log in?

You'll arrive at your home school's portal landing page. A Northern student would see the myNSU landing page. A student from another school who's taking classes at Northern would arrive at their home school's landing page, but still would be able to access myNSU.

If you're having difficulty logging in or need more information, contact web@northern.edu.
