

## International Education Week Highlights

International Education Week (IEW), November 16-20, 2020, is an opportunity to celebrate the benefits of international education and exchange worldwide. This joint initiative of the U.S. Department of State and the U.S. Department of Education is collaborative effort to promote programs that prepare Americans for a global environment and attract future leaders from abroad to study, learn, and exchange experiences.

## Award Winning Chinese Film Night - one of the best foreign movies out there!

Watch "To Live" film with us. It is a Grand Prize winner at the 1994 Cannes Film Festival and recipient of the Best Foreign Language Film award at the 1995 BAFTA Awards. It is a film that is fascinating testament about ordinary human lives conducted under terrifying

conditions, when one's fate could hinge on a chance remark or an instant political edict from a zealous teenager.

Intro to Chinese Language Class with Becky Nelson and learning about the Chinese Characters along with tea and almond cookies was a win win for all!

Ornaments Around the World and Traditional Polish Christmas Celebration with Dominika Blum was super informative and fun. Discover Polish Christmas traditions here:
