

To view grades for a term or to view unofficial transcript/course listing on SSB

On the NSU website, click on the myNSU tab to get to the menu below:

The screenshot shows the Northern State University website. The top navigation bar includes links for SEARCH, VISIT, myNSU, GIVE NOW, and REQUEST INFORMATION. Below this is the university logo and a main menu with categories like ADMISSIONS & AID, ACADEMICS, ATHLETICS, CAMPUS LIFE, ONLINE, and ABOUT. The breadcrumb trail reads 'Home > myNSU and Self-Service Banner'. The main heading is 'MYNSU AND SELF-SERVICE BANNER'. Below the heading are three columns of services: 'NSU ACCOUNT' (with links for New Account and Password Reset and Technical Support), 'SELF-SERVICE BANNER' (with links for Student Information, Financial Aid Information, Faculty and Advisor Information, and Banner FAQs), and 'MYNSU PORTAL' (with a Log In link). A blue arrow points to the 'myNSU' tab in the top navigation bar, and another blue arrow points to the 'Student Information' link in the 'SELF-SERVICE BANNER' column.

Click on Student Information. You will need to log in at this point. Once logged in, you will be taken to SNAP, where you would click on Student Main Menu, under the My Academic Information heading.

That will bring you to an Ellucian menu:

Click on My Academic Information. This will bring you to areas where you can look at your final grades for a term or your unofficial transcript.
