

NSU Center for Statewide E-learning 2022-23 High School Registration Information

All registrations should be made on the South Dakota Virtual School site:
<https://sdvs.k12.sd.us>

Priority registration opens at 8 a.m. Monday, April 4, 2022 and runs to 5 p.m. Friday, April 8, 2022. All registrations during this period will be accepted into courses or put on waiting lists based on district DOE sparsity rankings.

After 5 p.m. on Friday April 8, 2022, we will continue to accept additional registrations on a first-come, first-served basis until courses are full.

To register students:

- Select the courses you want from the included list. Note: each course SYN number is listed.
- Go to the SDVS site, search for the appropriate SYN number, and register students.
- Times listed are Central times. Courses are one year unless otherwise noted.

May have to cancel low-enrolled classes.

Classes begin August 24, 2022, and end May 16, 2023. All courses are tuition-free to school districts.

Three Methods of Delivery

- 1) **DDN:** DDN classes meet five days a week via DDN. A DDN course meets at a predetermined time with direct engagement between the teacher and the students on a daily basis. These synchronous classes typically connect students from several schools.
- 2) **Blended:** A blended course features the convenience of an online course and the engagement of a DDN course. A typical week features two recorded class sessions, two live connections with the teacher and a work day. Schools schedule the course at a time that fits the school's local schedule. The DDN connections are between the teacher and the school, on the school's local schedule. Schools with a low number of students in a blended class may need to consolidate sessions depending on staffing availability.
- 3) **Online:** An online course features the convenience of allowing a student to interact with the course work at a time determined by the student and the local school. Students view recorded class sessions, interacting with the content asynchronously. All class sessions and materials are available online. The course follows a traditional school calendar.

Changes for 2022-23

- 1) Accounting is available as both a blended course and an online course.
- 2) Business law is now an online course only.
- 3) Earth/Space Science is available as both a blended course and an online course.
- 4) New Courses: Introduction to Information Technology, Computer Programming, Intro to Law, Public Safety, Security & Corrections, Forensic Science, Genetics, and Native American Studies.

For questions, please contact Mary Cundy at 605-626-3387 or mary.cundy@northern.edu.
