Section 1. Existing Course Title and Description

If changing from a course that previously had only a lecture or laboratory component to a composite course, identify both the course and laboratory numbers (xxx and xxxL) and credit hours associated with each. Provide the complete course description as it appears in the system course database including pre-requisites, co-requisites, and registration restrictions.

Prefix & No.	Course Title	Credits
ARTD 333	Web Design I	3

Course Description
An introductory course in web page design, organization and structure, graphics authoring and user interface. Graphics Industry standard applications and hardware will be used. Prerequisite: ARTD 113

Section 2. Modification(s) Requested

2.1. This modification will include (place an "X" in the box for all that apply):

- A change in description/subject matter content (enter revised description below).**

An interactive-design course focused on analog and digital game development, mobile and desktop application creation, and web-page/-site publishing, with emphases on authoring, organization and structure, user interfaces, and user experience. Graphics, text, sound, video, and other forms of multimedia will be used to create both local and online interactions. Graphics Industry standard applications and hardware will be utilized.

Change to existing unique course:

Prefix & No.	Course Title	Credits

NOTE: Use the Authority to Offer an Existing Course Form to request authorization to offer an existing common or unique course.

Effective term of the change: Fall 2023

Explain any additional minor changes proposed at this time below (if needed):

Change of Course Title: *Game, App, and Web Design I*

2.2. Add justification for all changes noted above:

This title and description change request is intended to modernize and clarify course content to better meet with recent UX/UI design technologies, trends, and integrations that are currently practiced in multiple Digital Media industries as facilitated from within the degree program curricular structure(s). It also helps resolve a current Art Department UX/UI curricular redundancy by combining “Interface Design I” with “Web Design I” curricula into one course.

Section 3. Other Course Information

3.1. Will this course equate (i.e., be considered the same course for degree completion) with any other unique or common courses in the common course database?

- Yes No

If yes, indicate the course(s) to which the course will equate (add lines as needed):

Prefix & No.	Course Title
