Section 1. Existing Course Title and Description

If changing from a course that previously had only a lecture or laboratory component to a composite course, identify both the course and laboratory numbers (xxx and xxxL) and credit hours associated with each. Provide the complete course description as it appears in the system course database including pre-requisites, co-requisites, and registration restrictions.

Prefix & No.	Course Title	Credits
ARTD 433	Web Design II	3

Course Description
Continues Web Design I through directed and individual study through application of industry standard concepts, techniques and methods. Meets six hours each week.

Section 2. Modification(s) Requested

2.1. This modification will include (*place an "X" in the box for all that apply*):

☒ **A change in description/subject matter content (enter revised description below).**

Continues Game, App, and Web Design I as directed and individual study through applications of industry standard concepts, techniques, and methods. Includes possible leadership opportunities in directing/supervising specific local and online design projects. Meets six hours each week.

Note: Course descriptions are short, concise summaries that typically do not exceed 75 words. DO: Address the content of the course and write descriptions using active verbs (e.g., explore, learn, develop, etc.). DO NOT: Repeat the title of the course, layout the syllabus, use pronouns such as "we" and "you," or rely on specialized jargon, vague phrases, or clichés.

☒ **Explain any additional minor changes proposed at this time below (if needed):**

```
Change of Course Title: Game, App, and Web Design II
```

2.2. Add justification for all changes noted above:

This title and description change request is intended to modernize and clarify course content to better meet with recent UX/UI design technologies, trends, and integrations that are currently practiced in multiple Digital Media industries as facilitated from within the degree program curricular structure(s). It also helps resolve a current Art Department UX/UI curricular redundancy by combining "Interface Design II" with "Web Design II" curricula into one advanced course.

Section 3. Other Course Information

3.1. Will this course equate (i.e., be considered the same course for degree completion) with any other unique or common courses in the common course database?

☐ Yes   ☒ No

If yes, indicate the course(s) to which the course will equate (add lines as needed):
