

SOUTH DAKOTA BOARD OF REGENTS

ACADEMIC AFFAIRS FORMS

New Course Request

Use this form to request a new common or unique course. Consult the system course database through for information about existing courses before submitting this form.

	College of Arts and Sciences/	
NSU	Department of Science and Mathematics	
Institution_	Division/Department	9/14/2022
Institutional Approval Sign	ature	Date

Section 1. Course Title and Description

If the course contains a lecture and laboratory component, identify both the lecture and laboratory numbers (xxx and xxxL) and credit hours associated with each. Provide the complete description as you wish it to appear in the system course database, including pre-requisites, co-requisites, and registration restrictions.

Prefix & No.	Course Title	
BIOL 230	Anatomy and Physiology II	3
BIOL 230L	Anatomy and Physiology II Lab	1

NOTE: The Enrollment Services Center assigns the short, abbreviated course title that appears on transcripts. The short title is limited to 30 characters (including spaces); meaningful but concise titles are encouraged due to space limitations in the student information system.

Course Description

BIOL 230: This course is a continuation of material covered in BIOL 220. Lectures, laboratory work, and demonstrations will enable students to understand normal and abnormal function of the human body and provide a foundation for any future healthcare course. Integration of anatomical structure as it relates to physiology will also be incorporated.

NOTE: Course descriptions are short, concise summaries that typically do not exceed 75 words. DO: Address the content of the course and write descriptions using active verbs (e.g., explore, learn, develop, etc.). DO NOT: Repeat the title of the course, layout the syllabus, use pronouns such as "we" and "you," or rely on specialized jargon, vague phrases, or clichés.

Pre-requisites or Co-requisites (add lines as needed)

Prefix & No.	Course Title	Pre-Req/Co-Req?
BIOL 220	Human Anatomy/Physiology I	Pre-Req
BIOL 230L	Lab: Human Anat/Physiology II Lab	Co-req

Registration	Restrictions
ixceisu auon	ixesu icuons

Section 2. Review of Course

2.1. Will this be a unique or common course (place an "X" in the appropriate box)?

⊠ Unique Course

If the request is for a unique course, institutions <u>must</u> review the common course catalog in the system course database to determine if a comparable common course already exists. List the two closest course matches in the common course catalog and provide a brief narrative explaining why the proposed course differs from those listed. If a search of the common course catalog determines an existing common course exists, complete the Authority to Offer an Existing Course Form. <u>Courses requested without an attempt to find comparable courses will not be reviewed.</u>

Prefix & No.	Course Title	Credits	
PE 250/250L	Human Anatomy & Physiology/Lab	4	

Provide explanation of differences between proposed course and existing system catalog courses below:

PE 250/250L is offered as a whole unit rather than as a first semester course of a two-semester sequence. Our request is for a two-semester sequence.

\boxtimes	⊠ Common Course		Indic	Indicate universities that are proposing this common course:								
		BHSU	J 🗆	DSU		NSU		SDSMT		SDSU	\boxtimes	USD

		No.		new cour	ses an	d lab se	ctions w	ill be include s managed ac			J facult	y's
		Yes	. Specify	below:								

3.2.	Existing program(s) in which course will be offered (i.e., any current or pending majors, minors, certificates, etc.):					
	Biology, Allied Health Certificate, and pre-professional programs: Pre-Nursing, Pre-medicine, Pre-Optometry, Pre-Physician's Assistant, Pre-Physical Therapy, Pre-Occupational Therapy, Pre-Mortuary Science, Pre-Dentistry					
3.3.	Proposed instructional method by university (as defined by <u>AAC Guideline 5.4</u>): If requesting an instructional method that is exempt from the <u>Section Size Guidelines</u> , please provide a brief description of how the course is appropriate for the instructional method, as defined in AAC Guidelines.					
	Lecture (R) and Laboratory (L)					
3.4.	Proposed delivery method by university (as defined by <u>AAC Guideline 5.5</u>):					
	001 Face-to-Face Term Based Instruction and 015 Internet Asynchronous – Term Based Instruction					
3.5.	Term change will be effective:					
	Fall 2023					
3.6.	Can students repeat the course for additional credit?					
	☐ Yes, total credit limit: ☐ ☑ No					
3.7.	Will grade for this course be limited to S/U (pass/fail)? ☐ Yes ⊠ No					
3.8.	Will section enrollment be capped?					
3.9.	Will this course equate (i.e., be considered the same course for degree completion) with any other unique or common courses in the common course system database?					
	☐ Yes ☐ No If yes, indicate the course(s) to which the course will equate (add lines as needed):					
	Prefix & No. Course Title					
	PHGY 230/L Human Anatomy/Physiology II					
3.10.	. Is this prefix approved for your university?					
	If no, provide a brief justification below: BIOL is an approved prefix for Northern State University.					
	DIOL is an approved prefix for Northern State Offiversity.					

Section 4. Department and Course Codes (Completed by University Academic Affairs)

4.1.	University Department:	Science and Mathematics
4.2.	Banner Department Code:	NSCM
4.3.	Proposed CIP Code: 26.090	1
	Is this a new CIP cod	le for the university? □ Yes ⊠ No
