

Northern State University Consumer Information:
Graduation and Transfer-Out Rates (Student Right-to-Know Act),
Enrollment of Students Receiving Athletic Financial Aid
 March 22, 2023

In accordance with the Higher Education Act of 1965, as amended, Northern State University is pleased to share with you the following information. While reviewing this information, please keep the following in mind.

- All graduation rates are based upon six years of attendance which equates to 150% of the normal completion time of our predominant program. The cohorts are limited to first-time, full-time, degree-seeking undergraduates, as of the fall term of the cohort year.
- We have elected to report our transfer-out rate because NSU does offer some pre-professional programs intended as preparation for degrees we do not offer, and students do choose to transfer for various reasons.
- These tables do not identify the reasons why our students withdrew; therefore, students who withdrew for personal or medical reasons are included.
- The graduation rates do not include students who left the school to serve in the armed forces or on official church missions or with a foreign aid service of the federal government, or students who died or were totally and permanently disabled.
- The university is not required to disclose information on any cohort/subcohort with five or fewer students. Values missing due to this reason are denoted with an asterisk (*).

Questions related to this information should be directed to NSU's Institutional Research Officer, Brenda Mammenga, at (605) 626-2433 or brenda.mammenga@northern.edu.
