See question 4 See questions 5 and 6

4. INACTIVE STATUS

- A. Provide a justification for inactivating the program:
- B. If there are current students in the program, what are the implications of placing the program on inactive status?

What is the last date (day/month/year) by which a student can graduate in the program?

- C. What is the proposed date (day/month/year) inactive status takes effect (the proposed date for inactive status is also the last date a student may enroll in or declare the program)?

5. TERMINATION WITH ENROLLED STUDENTS

- A. Provide a justification for terminating the program:
- B. What is the plan for completion of the program by current students?
- C. What is the proposed date (day/month/year) program termination status begins (program status in the database changes to *Phasing Out* and last date a student may enroll in or declare the program)?
- D. What is the last date (day/month/year) in which a student may enroll in the program (program status in the database changes to *Phase Out*)?
- E. What is the last term or date (day/month/year) by which a student can graduate from the program?
- F. What are the potential cost savings of terminating the program and what are the planned uses of the savings?
- G. What are the resulting employee terminations and other possible implications including impact on other programs?

² Note: An inactive program is a program a university has authority to offer, but the program is not admitting new students and has not formally terminated. A presumption exists that inactive status is a temporary status; universities review inactive programs periodically to determine the feasibility of reactivating or terminating the program. Programs can remain inactive for five (5) consecutive years at which time a university must terminate the program. A terminated program is a program for which a university ceases to have authority to offer. Reinstatement of a terminated program requires university and BOR approval through the prescribed new program approval processes.

6. TERMINATION WITHOUT ENROLLED STUDENTS

A. Provide a justification for terminating the program:

The art department curriculum offers BFA degrees in traditional studio art and digital media; The BA in Art is redundant - it is no longer needed for the art department mission and purposes.

B. What is the proposed date (day/month/year) for the program to terminate (program status in the database changes to *Deleted*)?

August 1, 2023 or as soon as possible

C. What are the potential cost savings of terminating the program and what are the planned uses of the savings?

Immediate (or potential) savings include:

- Reduced time requirements for administration – student advisement, degree program assessment and documentation required for national accreditation.
- Time savings will be reflected in greater administrative efficiencies for remaining degree programs.

D. What are the resulting employee terminations and other possible implications including impact on other programs?

- No staff or faculty members will be impacted by terminating this degree program.
- No course offerings will be impacted.
- No students will be impacted – there are no students enrolled in this degree program.
