*See question 4* *See questions 5 and 6*

<sup>1</sup> Note: Certificates, specializations, and minors may only be terminated and not placed on inactive status due to limitations in the student information system.

<sup>2</sup> Note: An inactive program is a program a university has authority to offer, but the program is not admitting new students and has not formally terminated. A presumption exists that inactive status is a temporary status; universities review inactive programs periodically to determine the feasibility of reactivating or terminating the program. Programs can remain inactive for five (5) consecutive years at which time a university must terminate the program. A terminated program is a program for which a university ceases to have authority to offer. Reinstatement of a terminated program requires university and BOR approval through the prescribed new program approval processes.

#### 4. INACTIVE STATUS

- A. **Provide a justification for inactivating the program:**
- B. **If there are current students in the program, what are the implications of placing the program on inactive status?**
- C. **What is the last date (day/month/year) by which a student can graduate in the program?**
- D. **What is the proposed date (day/month/year) inactive status takes effect (the proposed date for inactive status is also the last date a student may enroll in or declare the program)?**

#### 5. TERMINATION WITH ENROLLED STUDENTS

- A. **Provide a justification for terminating the program:**  
Courses contributing to the International Studies minor are no longer taught due to the two faculty either taking another academic position or leaving the profession.
- B. **What is the plan for completion of the program by current students?**  
There is only one student enrolled in the International Studies minor. The current student will be notified and courses at other regental universities will be suggested, should this be the only option.
- C. **What is the proposed date (day/month/year) program termination status begins (program status in the database changes to *Phasing Out* and last date a student may enroll in or declare the program)?**  
09/01/2023
- D. **What is the last date (day/month/year) in which a student may enroll in the program (program status in the database changes to *Phase Out*)?**  
09/01/2023
- E. **What is the last term or date (day/month/year) by which a student can graduate from the program?**  
Spring 2025, which allows ample time for the student currently enrolled in the minor to complete either the required courses or given close course equivalents.
- F. **What are the potential cost savings of terminating the program and what are the planned uses of the savings?**  
Courses that were offered will no longer be available, which reduces costs and minimizes inefficiencies in course offerings.

**G. What are the resulting employee terminations and other possible implications including impact on other programs?**

There is minimal impact to other programs, as one student is enrolled in the minor due to lack of course availability.

**6. TERMINATION WITHOUT ENROLLED STUDENTS**

**A. Provide a justification for terminating the program:**

**B. What is the proposed date (day/month/year) for the program to terminate (program status in the database changes to *Deleted*)?**

**C. What are the potential cost savings of terminating the program and what are the planned uses of the savings?**

**D. What are the resulting employee terminations and other possible implications including impact on other programs?**
