Land Acknowledgement

Northern State University (NSU) acknowledges South Dakota as the ancestral territory of the Santee, Yankton, and Teton Lakota, which is an alliance known as the Oceti Sakowin (o-che-tee sha-koh-ween) (Seven Council Fires). Oceti Sakowin is historically known as the Sioux by non-Native people. The nine Native Nations that share the state's geography include: Cheyenne River Sioux Tribe, Crow Creek Sioux Tribe, Flandreau Santee Sioux Tribe, Lower Brule Sioux Tribe, Oglala Sioux Tribe, Rosebud Sioux Tribe, Sisseton-Wahpeton Oyate, Standing Rock Sioux Tribe, and Yankton Sioux Tribe. Northern State University acknowledges that before this land was called South Dakota, it was home to many Native Nations indigenous to this area. It is with profound respect that we acknowledge the indigenous peoples of this land past, present and future.
