Hello, Dr. Knight.

The English program at Northern State University is in the process of revising its course options within the degree. We currently offer two Shakespeare course options (ENGL 431 and 432), but we would instead like to eliminate these two Shakespeare course options and replace them with one Shakespeare course, ENGL 330. Currently, SDSU and SDSMT are the two schools within the system that are authorized to offer this course.

Can you please let me know if SDSMT has any objections to NSU offering ENGL 330 as part of our required courses for the English degree?

Thank you, and I look forward to hearing from you.
