Hello Drs. Berry and Hoey,

Northern's English program is reviewing their curriculum and would like to include more 300-level courses that address current areas of interest for Northern students. In a search of the CIR, we found three courses unique to DSU (two of which are currently listed as inactive) that we would like to offer at NSU. Can you please let me know if DSU has any objections to our offering the following courses at NSU as electives within our English program curriculum?:

ENGL 303: Foundations English/New Media (currently listed in the CIR as inactive)

ENGL 333: Period Study

ENGL 386: New Media: Genre (currently listed in the CIR as inactive)

Thank you so much, and I look forward to hearing from you.

Elizabeth
