About Northern State University

Northern State University is a premier residential, liberal arts institution characterized by outstanding instruction, extraordinary community relations, and unparalleled co-curricular opportunities. In August of 2008 NSU was named by US News and World Report as one of the best undergraduate public institutions in the Midwest. For more information about NSU, visit our Web site at www.northern.edu.

Michael Evans
NSU FOUNDATION
CHAIRMAN OF
THE BOARD

Dear Alumni and Friends,

I am honored to have the privilege to serve as the new Chairman of the Board of the NSU Foundation. With many opportunities and challenges ahead, I look forward to meeting and working with many of you to further advance the university and our fundraising capabilities.

I would like to take this time to thank Mr. Charlie Jakober, NSU Foundation Past President. Charlie has worked tirelessly to promote Northern and is one of the reasons your university continues to move forward. Charlie will continue on the foundation board as a member of the Executive and Wolves Club committees.

Exciting opportunities lie ahead for Northern. With our expanded enrollment, a presidential search underway, the creation of new athletic conference and additional programs and services, your support has never been more important.

I would like to extend my heartfelt thanks for your support and continued interest in NSU.

Respectfully,

Michael Evans
Chairman of the Board
NSU Foundation

Laurie Stenberg Nichols
NSU INTERIM
PRESIDENT

Dear Alumni and Friends,

I've heard it said that "how much you give is how you keep score." Your generosity makes you real winners in this game of life. College is an expensive proposition. Your financial support opens wide the doors of educational opportunity and makes the academic and professional aspirations of our students a reality.

Thanks to you, the Wolf PACT has been a phenomenal success for this university. As the best public guaranteed scholarship in the state, we awarded \$633,500 in Wolf PACT scholarships this year---the largest amount ever awarded at Northern. The results of this fine scholarship program has been growth in incoming first year students who have achieved solid ACT scores. It is also encouraging students to stay in college and complete their degree.

I hope you know that when you give to a student, you are essentially investing in our future. Thank you for making a difference to our students in a very real way. We are humbled by your generosity.

Laurie Stenberg Nichols
NSU Interim President

"The message we would like everyone to understand is that when difficult times present themselves, a real team, or a real family, stick together and grow from it."

Kyle Schwan, NSU Men's Basketball Team Member

Coach Don Meyer and Minnesota Coach Tubby Smith share a pre-game visit before the Wolves exhibition game on November 6, 2008. The Wolves lost to the Gophers 62-92.

Coach Don Meyer Back in Aberdeen

Northern State University men's basketball coach, Don Meyer, returned to Aberdeen in late October following a Sept. 5 car accident.

Meyer was leading a caravan to a team retreat when the vehicle he was driving crossed the median and crashed into a semi. Meyer's left leg was amputated as a result of the accident, and he also learned he had carcinoid cancer in the liver and small intestine.

The Meyer story has gathered the spotlight from several national media outlets who continue to follow Coach Meyer and Northern State. Meyer (898) is second to Bob Knight (902) for most coaching victories in any division of NCAA men's basketball.

NSU Enrollment up Double Digits for Fall Semester

For the fourth consecutive year Northern State University is seeing increased enrollment for the fall semester.

Numbers released by the S.D. Board of Regents office on Oct. 1 showed a 14 percent increase in freshman numbers, a 12 percent increase in full-time equivalent students and total enrollment up by 10 percent overall.

University officials attribute the steady climb to several factors including the implementation of the Wolf PACT scholarship, NSU, outstanding fine arts and athletic programs, and exemplary faculty and administration.

Search Continues for New NSU President

Northern State University will host finalists for the next President of NSU in December. More than 80 candidates were identified in the search for a new president. A search committee is reviewing applications and will invite the finalists to come to Aberdeen for on campus interviews in December. The

new President is expected to begin July 1, 2009.

Patrick Schloss resigned as NSU President in June to assume the presidency at Valdosta State University in Georgia. Laurie Stenberg Nichols is currently serving as Interim President.

Campus Resources Helped Nelson Invest in Northern

A lifelong resident of Aberdeen, Frank R. “Bob” Nelson continues to support Northern State University even 10 years after his death. Mr. Nelson loved to attend sporting events at Northern and regularly walked from home to campus.

From left to right: Todd Jordre, President and CEO of the Northern State University Foundation, Frank Carlson, nephew and trustee for the Nelson estate and Laurie Stenberg Nichols, Northern State University Interim President.

Nelson began college at Northern before serving in the U.S. Army under General Patton. Upon his return to Aberdeen, he completed his bachelor's degree in business from Northern in 1946. Nelson lived just west of the campus on Lincoln Street. He and his father owned and operated

family for his kindness and generosity. Mr. Nelson always held Northern in the highest regard. A trust that he established in 1996 has now funded endowments for the WolfPact scholarship program as well as athletics and business.

“Bob was a self-made man, loved Northern and enjoyed taking part in many activities on campus,” said Frank Carlson, nephew and trustee for the Nelson estate. “Bob used to routinely walk to the library and read financial magazines and newspapers. It is moving and ironic that Bob learned how to invest and make money in the stock

market by reading at Northern....and eventually gave a large portion of his estate to Northern”.

“Gifts of this type really require a team effort and thoughtful planning,” said Todd Jordre, President and CEO of the NSU Foundation. “Mr. Nelson worked with his financial advisors and foundation staff years ago, to create a major gift plan that ended up benefiting several charities in the Aberdeen region along with Northern. We are so pleased that a graduate and friend saw fit to make a major investment in Northern students in the areas of business and athletics.”

Establishing A New Northern State Alumni Chapter

These are the first steps taken in establishing a new NSU alumni chapter:

Requirements

When local alumni and the Alumni Association agree that there is a strong likelihood of success, we begin a process that will yield positive results for all involved. These are the conditions we look for as we begin the chapter creation process.

- Reasonable number of alumni in an area to support a chapter and to ensure all goals can be accomplished.
- Enthusiastic initial organizers with several years' worth of successors recruited.
- Regular contact with NSU Alumni Association/Foundation staff for sharing accurate and timely information and services.

For more information contact: Mike Birgen, Northern State University Foundation, Beckman Building, 620 15th Ave. SE, Aberdeen, SD 57401
ph: 605-626-2681, fax: 605-626-2431, nsualumni@northern.edu

PRESERVE YOUR PIECE OF NORTHERN'S HISTORY!

Donate your memorabilia to the NSU archives. We are currently interested in the following types of items:

WOLVES

KAYLEE MCDONALD, Ramsey, Minn.

SOCCKER

The NSU women's soccer team concluded yet another successful season, qualifying for the NSIC post-season tournament for the 11 straight year. The Wolves have never missed a conference tournament since the program's inception. Freshman forward, Kaylee McDonald, led the team in both goals scored (13) and points (29), while sophomore midfielder, Maggie Fedor, had eight goals and a team-high eight assists to finish with 24 points on the year, earning Second Team Daktronics All-Central Region honors for her efforts. McDonald and Catherine "Kit" Grace also earned All-NSIC accolades. McDonald was a Second Team selection while Grace was tabbed to the Honorable Mention list.

CROSS COUNTRY

It was history in the making for the NSU cross country program in 2008. Under first-year head coach Kevin Bjerke, the men's squad ran its way into the top ten of the USTFCCA Central Region rankings on Oct. 28, where the Wolves spent two weeks at the No. 10 spot. The regional ranking marked just the second time in NSU's 14-year Division II history that the Wolves have been regionally ranked. The only other time the Wolves had been ranked was a tenth place showing in the Sept. 25, 2005 set of the North Central Regional Rankings.

Both the men's and women's squads competed successfully throughout the season and ended the year with strong performances at both the NSIC and the Division II Central Regional meets. The men, led by three-time All-NSIC performer Danny Scott, finished fifth at the conference meet and 12 out of 21 teams in the Regional Championships. The women's squad was eighth at conference and finished 17 of 23 teams at the regional meet. The Central Region is considered one of the toughest cross country regions in the nation, featuring numerous teams ranked in the top 25 in the nation, including six-time defending women's national champion Adams State.

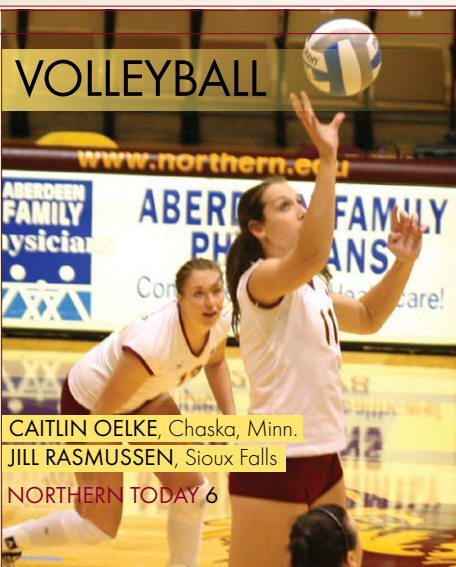

TRAVIS VE'E, Alameda, Calif.

FOOTBALL

Despite finishing the season 1-10 overall and 1-9 in conference play, the NSU football team can find several bright spots in the 2008 season. Five of the team's ten losses were by eight points or fewer, including back-to-back 3-point losses on Oct. 16 and Oct. 25. The Wolves, who were forced to fight through a rash of mid-season injuries, also dropped three games to teams that qualified for some sort of post-season play.

Offensively, the Wolves were led by sophomore quarterback Eric Ellingson, who passed for 2,572 yards and 20 touchdowns while running for seven more. Senior running back Tavis Ve'e, who had a mid-season injury which NSU had to contend with, caught a team-best five of those TD passes and carried the ball for another three. All told, Ellingson threw TD passes to eight different receivers in a balanced, potent passing attack. Defensively, inside linebacker Anthony Ponzio made 98 tackles to lead the way for the Wolves. Defensive end, Bryar Johnson, had 67 tackles, including 12 for a loss and five sacks. Both marks were team-bests.

The Wolves lose 14 seniors off this year's squad, all of whom either started or saw significant playing time throughout the year.

VOLLEYBALL

After winning their first five, and nine of their first ten matches of the year, the Wolves ran into a serious road block when senior outside hitter Kelsey Aden went down with a knee injury. The loss sent NSU into a six-match tailspin, but head coach Lisa Schriver and the Wolves started picking up the pieces and found new ways to win in the second half of the season. While not qualifying for the post-season conference tournament, NSU surpassed the 2007 mark of 13 wins in its final home weekend of the season,

sweeping Winona State and Upper Iowa on Nov. 7-8. Those two wins assured the Wolves of a non-losing season while also moving Schriver ever closer to the 200 career win threshold. Schriver has 199 wins in her career. NSU faces the daunting task of replacing senior libero Stephanie Nygaard and senior outside hitter Melanie Perez, along with academic senior middle blocker Jill Rasmussen next season. All three were season-long starters and consistent contributors for the Wolves.

NORTHERN NIGHT 2008

LEFT TO RIGHT: Daryl and Julie Ebach, both BS '85 and Patti Mesmer - BS '84

This year marked the 10th anniversary for the NSU Foundation's annual event, which was co-chaired by Toni Knight and Shelley Westra-Heier. Northern Night is a yearly fund raising event, held in late fall with approximately 500 people attending. In years past the event has raised over \$90,000. The monies raised from the annual affair go to directly serving the scholarship needs of the university. With the increased competition for students and Northern's commitment to students, events such as Northern Night are vital to meeting the scholarship needs of the university. The university and the foundation have worked hard to develop the Wolf PACT scholarship program, and Northern Night is a huge opportunity to meet the growing needs of that program while showcasing Northern to its supporters. Northern Night 2009 is scheduled for Nov. 21 at the Ramkota Hotel and Convention Center.

Lawrence "Larry" Wolff, Aberdeen, celebrated his 80th birthday on June 11, 2008.

Ron Brandy, Grenville, celebrated his 80th birthday on June 30, 2008.

Curtis and Donna Misslitz, Aberdeen, celebrated their 80th and 75th birthdays on June 9 and July 24, respectively and their anniversary on July 14, 2008.

NSU MOURNS PASSING OF MIKE WALSH

Faculty, staff and students of Northern State University mourned the loss of Mike Walsh, who died on July 8, 2008 as a result of injuries sustained in a motorcycle accident. Walsh spent 29 years as a member of the NSU School of Business faculty serving as an assistant professor of accounting. Upon his retirement in 2005, Walsh was named Emeritus Assistant Professor of Accounting.

He began several campus organizations developing, supporting and encouraging students both inside the classroom and onto their careers. While at Northern, Mike founded and advised the NSU Business Club, Accounting Club and started the Volunteer Income Tax Assistance Program.

His passion was teaching and learning, and that passion and enthusiasm allowed him to make many friends for the university. Walsh was a successful entrepreneur and utilized his business to cultivate support for NSU. In the last year he hosted NSU Football Fans at the first annual New Recruit Showcase, hosted

alumni and friends at numerous pre-game receptions and was a staple in Gypsy Day festivities.

"Mike expressed his love for Northern and our students in every waking hour of his day and through all of his activities," said former NSU President Patrick Schloss. "He was an outstanding teacher, and joined by his wife Cindi, they have become extraordinary emissaries and leaders in providing personal resources for student scholarships. Our thoughts are with Cindi, their boys, and the many that called Mike a friend. His commitment to NSU will live in spirit though his gentle presence and his warm smile will be greatly missed."

MIKE WALSH,
Emeritus Assistant
Professor of Accounting

GREAT QUALITY OF LIFE

As a growing community, Aberdeen offers great career and business opportunities in renewable energy, manufacturing, bio-ag, construction, laboratory and healthcare, customer service, and retail sectors. The economy is diverse with local businesses, multi-national companies and continued growth in value-added agriculture. Transportation options abound, and in-town commutes are easy and convenient. *Come see why Aberdeen is South Dakota's Community of the Year!*

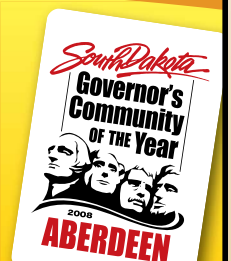

Summer events like Wheels & Wings Auto and Air Show, the South Dakota Film Festival and the Brown County Fair deliver sensational music, food and entertainment to local residents. Art fairs attract hundreds of regional artists and art-lovers in summer and winter. Other options throughout the year include a Celtic Faire, auto and horse racing, and many exciting sports events.

The Aberdeen area offers a unique lifestyle to its residents. Aberdeen has great recreation trails, an enviable park system including Storybook Land and the Aberdeen Aquatic Center, and is nationally known as a hunter's paradise. Aberdeen has a wide variety of opportunities for business, education, arts, culture and entertainment, all in a community that is safe and welcoming. *Whether you are a visitor or a new resident, Aberdeen is sure to surprise you!*
