Account Retrieval Information

Your NSU ID Number, which appears on your Student ID card, is an essential part of your education at NSU. Please follow the steps below to retrieve your NSU network account that will give you access to the network, email, and D2L. This will also provide you your BORIS username that gives you access to myNSU, WebAdvisor, and mobile.

NSU ACCOUNT RETRIEVAL

1. From the [NSU Website](#), select the [myNSU](#) link (located in the black ribbon at the top of the page).
2. Click to expand the **NSU PASSWORD HELP** box, then select [Find/Reset NSU Password](#).
3. Leave it on the default option of **Retrieve Information & Set Password**.
4. You will need to enter two of the following three items: Student ID number, date of birth (MM/DD/YY), or the last 4 digits of your Social Security Number.
5. Enter your new password and click **Submit Form**. Please ensure you have followed the password requirements shown on the reset page.
6. If you receive an error, click the **Reset Form** button and re-enter your information. Your information should be shown like below:

Request Status:

Status:	Student Data Retrieved
Student ID:	1985260
Student Name:	Jane Doe
NSU (network and email) and D2L Logon:	jane.doe@wolves.northern.edu
BORIS (myNSU, WebAdvisor, mobile) Logon:	jdoe

7. Once your data has been retrieved and your password reset, you can log on to your university Gmail account at <https://accounts.google.com>
8. To log on to D2L, go to <https://d2l.sdbor.edu/d2l/lp/auth/saml/login> and click

[Log in with university email address and password](#)

BORIS ACCOUNT RETRIEVAL

Your BORIS account allows you access to WebAdvisor, the myNSU portal, and NSU Mobile. To set your BORIS password, please visit <https://boris.sdbor.edu> and follow the password reset instructions.
